[X] New [ ] Modified	**[ ] Obsoleted**	**[ ] Other**

Summary: The Flat Bed PCB for the GR3770 has been changed and a new part number issued. The new PCB features improved electrical grounding and is fully compatible with the previous version. Orders for GR3770 Flat Bed PCB's should be made using the new part number.

Name of Part	Old Part #	New Part #	Compatible
GR3770 Flat Bed PCB	019-96050-005	**019-96050-102**	Yes

Note: The GR3770 uses a different Flat Bed PCB than all other GR series flat bed machines.

Tip: Insert a copy of this bulletin between pages I-40 and I-41 of your *GR3770 Parts List Manual*.
